How do you want the Efeng Bacha Initiative to assist your entrepreneurship journey?

I would like the Efeng Bacha to equip me with the right skills and tools needed to be successful as an entrepreneur. As a young lady/woman who wants to be in business and has an entrepreneurial mindset, I believe the Efeng bacha can develop and equip me with real world skills that can help lead an exceptional life in a rapidly changing world.

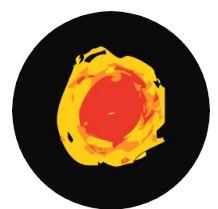

How do you #ServeLikeMadiba?

I am a strong believer of empowerment and love to help where I can. I empower those who are of my peer group.

As a #legacyleader, what is your advice to the children and youth of our nation?

In a world filled with darkness making you so afraid to be yourself, be the light that the world needs, be limitless and be a game changer.

What is the legacy you hope to leave one day?

To mark and make a living contribution for generations to come and choose to live my truth.

What is your favourite Nelson Mandela quote?

"It always seems impossible until it's done."
