How do you want the Efeng Bacha Initiative to assist your entrepreneurship journey?

I love to volunteer! I have a project that I aim to register as an NPO soon. It is called sekeleka which means to stand up in Xitsonga, the aim of the program is to encourage the youth to stand up and take up space. Sekeleka is an online tutoring NPO by the youth for the youth, that assists mainly matriculants in preparing for their exams, discovering university funding opportunities and time management strategies, the program also creates mental health awareness and well-being.
